About the book

In "Inverting the Pyramid," Jonathan Wilson masterfully explores the evolution of football tactics, tracing their rich history from the rudimentary formations of the past to the intricate strategies that define modern play. This compelling narrative not only delves into the tactical advancements introduced by visionary coaches but also examines how societal changes and technological innovations have reshaped the beautiful game. With each chapter, Wilson invites readers to appreciate the artistry behind formations like the "WM" and the "False Nine," while revealing how these strategies mirror the shifting dynamics of teams and the broader cultural context of football. Whether you are a seasoned fan or a curious newcomer, this enlightening journey promises to deepen your understanding of the tactical underpinnings that make football an ever-evolving spectacle.

About the author

Jonathan Wilson is a distinguished English football writer, journalist, and author, renowned for his insightful analysis of the game and its tactical evolution. Born in 1975, Wilson's extensive career has seen him contribute to prominent publications, including *The Guardian* and *The Observer*, where his thoughtful commentary and expertise in football tactics have garnered significant respect within the sports community. His seminal work, "Inverting the Pyramid," has established him as a leading voice in the exploration of football's tactical history, tracing the shifts in strategy from its origins to contemporary play. With a blend of scholarly research and engaging prose, Wilson has not only illuminated the complexities of the game but has also cemented his place as a pivotal figure in football literature.
