BOOK DESCRIPTION

When Olivia Sinclair wakes up in a hospital bed, she doesn't remember anything. Not even who she is. When a good-looking man insists he's her husband, she has no choice but to believe him. But when her mother tells her she's in danger and warns her to be careful who she trusts, she has to deny her attraction to the man taking care of her.

NFL Wide Receiver Greg Sinclair has always been head over heels for his wife, so when she gets in an accident and has no idea who he is, he can't help but be hurt. But when Olivia's life is threatened, Greg has to put aside his feelings and do everything within his power to protect her.

Includes the first chapter of *Game On (Fair Catch Series, Book Six)*.
