

THE WILD ROBOT PROTECTS

THE #1 BESTSELLING SERIES BY
PETER BROWN

The background of the cover is a monochromatic illustration of an underwater scene. It features various types of coral and seaweed on the left and right sides. Numerous small fish are scattered throughout the water, some swimming towards the left and others towards the right. A beam of light from the upper left corner illuminates the scene, creating a sense of depth and focus on the central text.

CHAPTER 1

THE SKY

Our story begins in the sky, with a bright sun and puffy clouds and a large flock of geese. After spending the cold months at their southern wintering grounds, the geese were migrating back to their northern home. They flew in a perfect V formation, and leading the way was a graceful young goose. The leader kept his eyes forward, constantly searching for bad weather or airships, but the sky was clear of any trouble.

Towns and roads and meadows and rivers passed beneath the geese as they flew. Far ahead, where the land met the sky, the dark blue line of the ocean gradually came into view. The ocean grew closer and closer, and then the flock was soaring above a sandy beach and out over the water.
